

BONNEVILLE 50

ELMWOOD BONNEVILLE 50

Overview

If you need versatility and an excellent Elmwood sound in a portable amp, the Bonneville 50 is your choice.

This powerful 50 watt tube amp together with a Celestion Vintage 30 speaker will give your tone an awesome feeling and response, no matter if you are into jazz, blues or hard rock. With the special Boost function on both channels you can go from the nicest clean sound, to dirty blues, to crunchy rhythm, to heavy lead, just by controlling the footswitch. You need to hear this one!

Available in black and red vinyl, with black or golden grill.
